- necessary for any organization in Ontario which has volunteers, such as schools, hospitals, etc.; and
- government mandated.

If you have not been screened despite repeated requests, we will ask that you be properly screened within two weeks of receiving a formal request from the office. If this process is not completed within this time, we will ask that your volunteer duties be put on hold until this process is done. If you need a formal extension beyond the two weeks, please contact the office and we will do our best to accommodate you.
