## Community Update

Our St. James SSVP has been quite busy to date, and of course we anticipate this to continue going forward. Since January we have made close to 30 visits with clients in this community. We have sent 5 children to camp for a week and have used \$6,500 to help with food, gas, utilities, new mattresses, and car repairs. We are also proud to be avid supporters of SHIFT, and not only make sandwiches on a regular basis, but we have just made a donation of \$1,000 to help them as they serve the homeless. This is not a complete list of our activity, but it gives you, our benefactors, an idea of what happens after your donation is made. Thank you from the bottom of our hearts, without you this would not be possible!
